FILLED TROUGHS

From **£145**

A woman with long dark hair, wearing a white dress, is seated at a table in a rustic-style dining room. The table is set with white linens, gold-rimmed plates, and glasses. A large, lush floral centerpiece with white flowers and greenery is the focal point. Tall, thin candles in gold holders are also on the table. The background features a corrugated metal wall and warm, glowing pendant lights.

TABLE CENTRES

From **£145**

The background image shows a rustic wedding reception. On the left, a wooden crate filled with a variety of colorful flowers (purple, pink, yellow, and white) sits on a light-colored wooden floor. In the center, several wooden chairs with white seats are arranged in rows. In the foreground, small potted plants with purple flowers and white candles are placed on the floor. The background wall is made of rough, textured stone.
